

COLLECTION NOTICE – ONLINE SURVEY/COMPETITION

Landcom 2021 Hills Showground Station Precinct park consultation

Landcom is seeking to collect the following information through your responses to this survey:

1. Your opinions on the initial designs for the proposed park in the Hills Showground Precinct (currently in draft form), and aspects of the initial design, such as play equipment, open spaces and facilities;
2. Demographic information, required to be eligible to enter the Competition to win a prize but is otherwise optional; and
3. Your contact information, being your name, email address and contact number.

Landcom will use the personal information collected to:

1. Consider community feedback on the initial designs for the proposed park in the Hills Showground Precinct (currently in draft form);
2. Understand whether a cross section of the community have provided their opinions;
3. Identify whether certain demographics have specific opinions, ideas, issues or needs in respect to the design of the proposed park in the Hills Showground Precinct; and
4. To administer the competition and contact you in the event you win the Competition..

Your contact information may be shared with Landcom's project partner, Sydney Metro, and its consultants. It will be stored by Landcom and disposed of securely once it is no longer required.

De-identified demographic information and the data and opinions provided by the Survey will be made available to Sydney Metro, Landcom, the Hills Shire Council and their relevant consultants for the purposes of developing the detailed designs for the proposed park in the Hills Showground Station Precinct.

Your contact details will not be linked to your response to the Survey questions but may be used to invite you to participate in any follow-up or future surveys on the same topic.

Respondents can opt out of further emails about the Sydney Metro Northwest Places program or this Survey at any time, using the link provided.
