Bella Vista Farm lights up with 'Echoes'

Experience 'Echoes – Luna Light Journey' at Bella Vista Farm nightly from 5 September to 6 October. The immersive nighttime experience is part of the annual Orange Blossom Festival, presented by the Hills Shire Council.

Step into the story of Bella Vista Farm like never before, with an outdoor light show that transforms the historic site after dark. Wander along an illuminated trail where light, sound, lasers and projections bring the farm's past to life. From the stories of the Dharug people to early convict settlers and its agricultural roots.

It's a magical night-time experience for all ages, full of wonder, discovery and a little bit of history. Bring your family and friends on an immersive adventure under the cover of dark!
